It is the sole responsibility of the bidder to insure that his bid is actually in the Texas City Purchasing office prior to the expiration of the time and date above first written.

All bids shall be accompanied by a cashier's or certified check upon a national or state bank in the amount of five percent (5%) of the total maximum bid price payable without recourse to the City of Texas City, Texas, or a bid bond in the same amount from a reliable surety company, as a guarantee that bidder will enter into a Contract.

In addition, the successful bidder must ensure that employees and applicants for employment are not discriminated against because of race, color, religion, sex, age or national origin.

Upon consideration of the proposals the City Commission plans to award a Contract; however, the City reserves the right to reject any and all bids, to waive any and all formalities and technicalities, and to accept any bid which deems advantageous to the City. Each bidder agrees to waive any claim it has or may have against the Owner, the Engineer, and their respective employees, arising out of or in connection with the administration, evaluation or re-bid. The successful bidder will be required to furnish a performance and payment bond in the amount of 100 % of the total contract price.

Contractors are urged to make a "good faith effort" to utilize local Texas City business for project participants through subcontractors and/or suppliers.
